Dear Sirs/Madams,

On behalf of WFMT, I would like to express our appreciation for your gift of \$1,600 in memory of Rich Noty. We will notify Jane Berry and family of your generous contribution to WFMT.

Your gift will assist WFMT in presenting programming of the highest quality to our loyal audience and is a very meaningful way to honor the memory of Mr. Noty. In thanks for your gift and the other memorial gifts we received, we will honor Mr. Noty with several on-air messages on May 15<sup>th</sup>. Over the next year, we are also scheduling the broadcast of Vaughan William's Fantasia on a Theme by Thomas Tallis for Orchestra, as underwritten by Rich Noty's teammates, colleagues, and loved ones in his memory.

Thank you again for your thoughtful support.

Sincerely,

A handwritten signature in black ink that reads "Daniel Levin". The signature is fluid and cursive, with a long horizontal stroke at the end.
